

GLOBAL PETROLEUM SUPPLY (FZE)

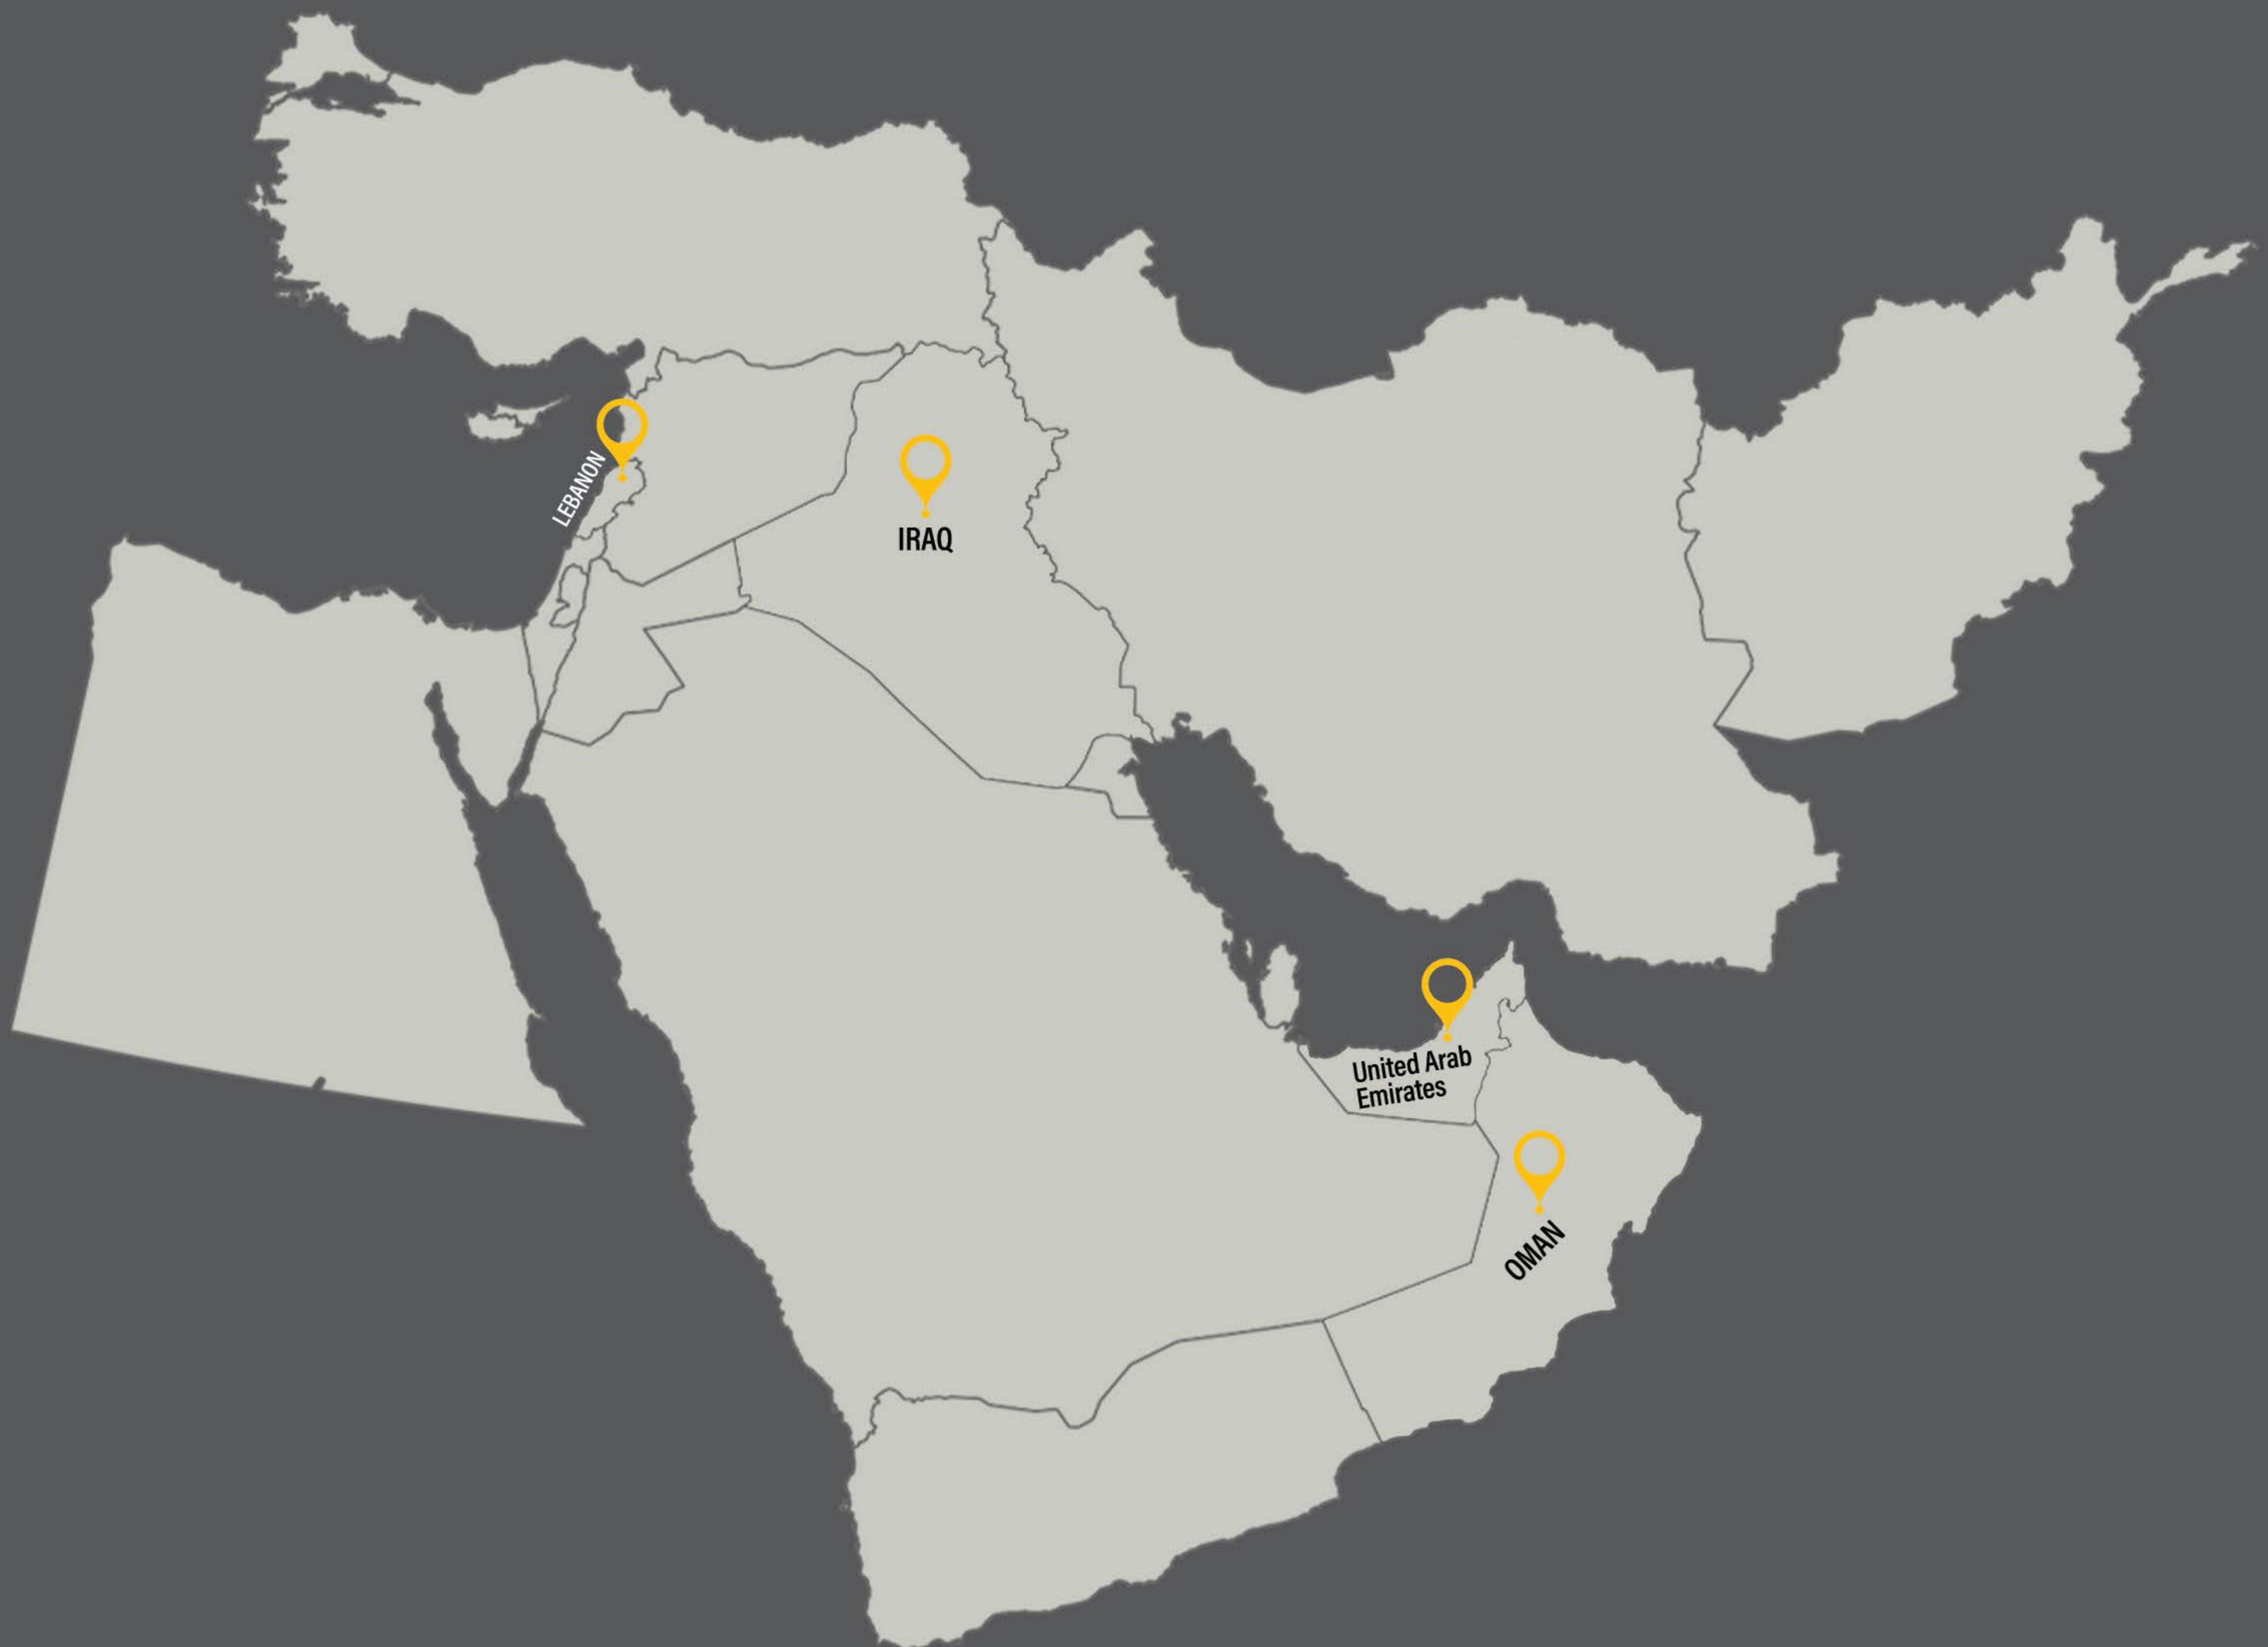

Your Trusted International Supplier of Oil and Gas Solutions

GPS

Your Trusted Partner in the GCC and Middle East

At GPS, we pride ourselves on being a reliable and strategic business partner for companies operating in the GCC and Middle East oil and gas sectors. With years of experience and a comprehensive understanding of the region, we are positioned to provide world-class solutions that support your business goals and help you navigate the complexities of this dynamic market.

Our Reach in the Region

GPS has the capacity to operate across almost every country in the Middle East. Our primary focus, however, is on markets where we've cultivated deep expertise and longstanding relationships. Over the past few years, we have been particularly active in Lebanon, Iraq, Oman, and the UAE, delivering tailored solutions and forging strong partnerships in these key markets.

GPS

A Journey of Growth and Evolution

2024

Today, GPS is recognized as a trusted partner in the oil and gas industry, providing equipment and materials to meet the demands of manufacturers and operators across the region.

2020

Entered the refinery and petrochemical equipment sectors, further diversifying our offerings.

2010

Expanded to supply upstream needs for oil and drilling products.

2009

GPS was founded as a logistics service provider for Norway's Statoil.

Who We Are

GPS is an international company specializing in the supply of oil and gas equipment and materials across the GCC and Middle East. We hold a bold vision for what manufacturers can achieve in this region, and we are committed to making that vision a reality through our partnerships, expertise, and unwavering focus on customer success. We act as a bridge to the oil and gas market, offering the critical tools, market knowledge, and resources that help manufacturers not only enter but thrive in the region. As your business partner, we are deeply invested in your market success.

Our Strategic Approach

Our mission is simple: to be a reliable and trusted business partner for world-class brands in the oil and gas industry. We strive to bring exceptional value to our partners through agility, reliability, and market knowledge.

Our Capabilities

GPS offers a comprehensive range of services designed to support every aspect of your business in the oil and gas sector:

Marketing

In-depth knowledge of the GCC and Middle East oil and gas market.

Project Finance

Flexible financing options to meet your needs.

Tender Guaranty

Full bank guarantee support for bids and contracts.

Logistic

End-to-end, secure, and efficient transportation services.

Supplying

Tailored solutions that meet the specific requirements of oil and gas projects.

Marketing Expertise

Marketing within the oil and gas industry requires specialized skills and a deep understanding of regional dynamics. GPS is equipped with a professional marketing team that understands the unique demands of the GCC and Middle East. We specialize in sourcing and purchasing equipment and materials tailored to your needs. With our insights, we ensure your product maintains its market share while expanding into new territories and markets.

Project Finance Flexibility

Our project finance capabilities are designed to remove the financial barriers to success. GPS can handle local currency transactions with clients and facilitate payments to manufacturers in hard currencies through first-class international banks. Our flexibility ensures that manufacturers are paid regardless of the end user's payment terms, streamlining operations and supporting your cash flow.

Tender Guarantees You Can Count On

GPS offers robust financial solutions with bank guarantees that cover various needs, including Tender Bank Guarantees (TBG), Performance Bank Guarantees (PBG), and Advance Payment Bank Guarantees (APBG). With access to up to 20€ million in guarantees, we provide a cost-effective way to secure contracts, giving you a competitive edge. Our established credit lines with reputable banks ensure that we can offer guarantees at the most favorable terms.

Streamlined Logistics Solutions

Our logistics team is experienced and efficient, ensuring your products are transported safely, securely, and on time. From door-to-door service to insured transportation, GPS guarantees that your goods are handled with the utmost care. By partnering with the most reputable shipping companies worldwide, we ensure there are no delays in your project's shipping phase, keeping your products on schedule and delivered just-in-time.

Supplying Industry-Leading Solutions

GPS has developed a flexible and adaptable structure to meet the evolving needs of the oil and gas industry. We have a proven track record of supplying equipment and materials for major oil and gas projects in our local markets, consistently receiving positive feedback from our clients. Our commitment to quality and reliability ensures that we continue to be a trusted supplier in the region.

Field Of Activities

Drilling

- OCTG and Accessories
- Rigs Components and Accessories
- Drilling Equipment and Tools
- Special Pipes

Chemicals

- Upstream
 - *Drilling Chemicals*
 - *Production Chemicals*
 - *Workover and Completion Chemicals*
 - *Special Chemicals*
- Downstream
 - *Petrochemical Chemicals*
 - *Refinery Chemicals*
 - *Water Treatment Chemicals*
- Other Industries Chemicals

Mechanicals

- Rotary Equipment
 - Compressors and Accessories
 - Turbines and Components
 - Pumps
 - Motors
- Oil & Gas Production Equipment
- Other Equipment

Heavy Machinery & Equipment

- Cranes and Components
- Mining Equipment
- Other Heavy Machinery

Petroleum Products Supplying

- Bitumen
- Polyethylene
- Solvents

Tubulars, OCTG & Drilling Equipment

GPS has a strong track record in supplying high-quality tubulars, OCTG (Oil Country Tubular Goods), and drilling equipment for the oil and gas industry. Our extensive experience and deep industry knowledge enable us to meet the stringent requirements of our clients, ensuring reliable and efficient solutions for their drilling operations.

Track Record Of What We Have Supplied

- Casing and tubing (2022) TPco-China
- Pipeline (2021) Hunan-China
- Casing (2018) Voestalpine- Austria
- Coiled Tubing (2018) Bomco-China
- Casing (2018) Tenaris-Luxembourg
- RIG Spare Parts (2016) Bomco-China
- Tubing (2011) TPco-China
- Slotted liner (2014) Reiner-China
- Stabilizer & Hole Opener (2017) Schoeller-Bleckmann
Oilfield Equipment- Scotland
- Shale Shaker screen and spare (2015) Dreek-USA
- Mud Pump Spares (2011) Bomco-China
- Safety Valve (2009) Vallourek-France

Equipment and Machinery Supply

With a proven track record of delivering high-quality equipment and machinery, GPS is your trusted source for essential tools in the oil and gas sector. We have successfully supplied a wide range of products tailored to meet the specific needs of various projects. Our focus on reliability, efficiency, and quality ensures that our partners receive the best equipment solutions, backed by our expertise and industry knowledge.

Track Record Of What We Have Supplied

- 450T Crane (2023)
- Spares for reciprocating Compressor (2020-2024)
- Diesel Generator 1400KVA (2011)
- Centrifugal pump (2009)

Liebherr-Germany
NEA-Germany
Cummins-UK
Safbon-China

Instruments

With a proven history of providing precision instruments, GPS delivers the tools needed for accurate measurement and monitoring in the oil and gas sector. Our portfolio includes a wide range of instruments that are crucial for operational safety and efficiency, backed by our commitment to quality and performance.

Track Record Of What We Have Supplied

- Toxide Sensors (2010)
 - Pellet dryer (2011)
 - Heat Tracing system (2011)
 - FLCi free chlorine measuring (2010)
 - Bimetal thermometer (2010)
 - Flowmeter (2011)

Material Immediate Delivery

At GPS, we understand the critical importance of timely deliveries in the oil and gas industry. To meet urgent demands, we maintain an inventory of fast-moving items, particularly those essential for drilling operations, at our local warehouse. These items are available for immediate dispatch, ensuring that your operations continue without interruption. With a proven track record of efficient supply, we are ready to fulfill your equipment needs upon brand request and approval, offering you a seamless supply chain experience.

Commitment to Charity and Social Responsibility

At GPS, our commitment extends beyond business success. We believe in using our platform to give back to the community and contribute to social well-being. While we value the principle of discreet giving, we also recognize the importance of leading by example to inspire others. By sharing parts of our charitable initiatives, we hope to encourage wealthier and more generous individuals to join us in creating a culture of giving and establish a healthy, blessed competition in supporting those in need.
